21st Century Staff Hiring Policy

This policy delineates the process developed to ensure a fair and unbiased selection process. Any person applying for a position in the AfterSchool Program must first file an application with Martin Library Human Resource Department or 21st Century Main Office. All available positions are advertised in the local newspaper and school district. Selection of Staff is based on job qualifications and being a match for available position(s). If all necessary requirements are met, the candidate is eligible for an interview. Candidates will be interviewed by 21st Century Program Director and Martin Library Director. To be more inclusive a representative from YSCD Human Resource Department will be part of the panel.

Service Provider Advertisements

- **All openings for Service Providers in the 21st Century AfterSchool Program will be advertised through a "Letters of Interest" in the local newspaper, postings on the school district's website, referrals, and recommendations from other 21st Century Sites.**

- **A team of 21st Century personnel will interview the prospective Service Providers. Service Providers are selected based on the needs of the children and families being serviced in the aftershool program. If selected for the position, the prospective service provider will meet with the 21st Century Program Director to discuss fee and days of service to be provided. A Letter of Agreement serves as the contract with the Service Provider and 21st Century. The Letter of Agreement is submitted to the School Board of the City of York for final approval.**

Cont.

To ensure safety for our children, all selected candidates/Service Providers will provide their Act 33 & Act 34 Clearances before employment.
